Post title: Primary School teaching Intern

Contractual conditions: One academic year

Grade levels: Years 2-5 (Ages 7-11)

Subjects: All primary curriculum areas- mainly English, Maths and Spanish.

Supervision: Direct mentorship from experience of classroom teachers and learning coordinators.

Description

This internship provides a unique opportunity to:

- Gain hands-on experience across diverse learning environments.
- Develop practical teaching skills under expert guidance.
- Build confidence and competence in classroom management.
- Experience different teaching methodologies and approaches.
- Establish a strong foundation for a successful teaching career.
- Support students with diverse learning needs and levels of attainment.
- Assist with formative and summative assessment activities.

Responsibilities

Teaching & Learning Support

- Assist lead teachers in daily classroom instruction across a range of subject areas
- Support small group and individual learning activities
- Prepare and deliver lessons under supervision
- Adapt teaching materials to meet diverse learning needs
- Participate in curriculum planning and preparation

Classroom Management

- Learn and implement positive behaviour management strategies
- Establish rapport and maintain professional relationships with students
- Help to create inclusive and engaging learning environments
- Support smooth daily routines and transitions

- Manage learning resources and classroom organization
- Supervise students as required out of classroom - before / after school and at some break times
- Assist with excursions and onsite learning opportunities

Professional Development

- Participate in staff meetings, professional learning sessions, and training
- Engage in regular reflection and feedback sessions with mentor teachers
- Observe experienced teachers across different grades and subjects
- Attend school events and community activities as appropriate

Skills and Qualifications

Educational Requirements

- Bachelor's degree in Primary Education (completed or in final year)
- Teaching qualification or currently enrolled in teacher training programme
- Strong academic foundation in primary curriculum areas
- Basic understanding of child development principles

Technical Skills

- Proficiency in educational technology and digital learning platforms
- Competent use of Google Workspace
- Ability to create engaging visual and interactive learning materials
- Basic data analysis skills for student assessment and progress tracking

Communication skills

- Excellent verbal and written communication in English and Spanish
- Ability to explain complex concepts in age-appropriate language
- Strong listening skills and empathy in student interactions
- Professional communication with colleagues
